

Enquiry form for hire of BETA's Mechanical Horses

(picture of RoboCob & his trailer)

RoboCob & Trigger are available for hire by members and non-members. They can be used for saddle demos, store openings and at shows throughout the country.

RoboCob can be ridden to go up & down his 5 paces with hand and leg aids.

Trigger is a canter simulator and has 5 different speeds of canter.

Hire rates:

RoboCob

1 - 3 days £275 + VAT for members

4 - 6 days £450 + VAT for members

Non-Members £550 + VAT up to 4 days

Trigger

1 - 6 days £275 + vat for members

Non-Members £450 + VAT up to 4 days

For periods of more than 4 days for Non-Members the price is subject to discussion with the BETA office.

You are required to get your own insurance for the horses and their trailers and will need to collect and drop them off from their separate bases at the time. Their bases vary, depending on the time of year, between Yorkshire and Somerset. We also offer a delivery service at an extra charge and subject to availability.

I am interested in hiring RoboCob/ Trigger (please circle) from _____ to _____ 2017 subject to availability. Please contact me with further details.
